

2ND EDITION OF PUBLIC SAFETY & GLOBAL HEALTH CONGRESS

JUNE 29–30, 2027

SINGAPORE

HYBRID EVENT
(IN-PERSON OR VIRTUAL)

Welcome Message

Dear Colleagues,

We are honoured and delighted to welcome distinguished speakers, delegates, healthcare professionals, researchers, academicians, policymakers, public safety practitioners, and industry leaders from around the world to participate in the **2nd Edition of the Public Safety and Global Health Congress (PSGH 2027)**, which will be held on **June 29–30, 2027**, in **Singapore**.

Following the successful completion of the previous edition of the Public Safety and Global Health Congress in Singapore, we are delighted to organize the second edition, bringing together experts from around the world to discuss current challenges, emerging trends, and innovative solutions in public safety and global health.

This international event will highlight a broad range of topics related to public safety, global health, healthcare innovation, emergency preparedness, disease prevention, occupational health, disaster management, environmental health, digital health, healthcare policy, and related multidisciplinary fields. The scientific program will feature **Plenary Lectures, Keynote Presentations, Scientific Sessions, Oral and Poster Presentations, Panel Discussions, Workshops, Scientific Exhibitions, Networking Opportunities, and B2B Meetings** with world-renowned experts and leading specialists from academia, healthcare organizations, government agencies, and industry.

We hope that you will find the **2nd Edition of the Public Safety and Global Health Congress (PSGH 2027)** both informative and rewarding. We are excited to continue offering an innovative **hybrid conference experience (In-person and online)**, enabling greater global participation and providing opportunities for meaningful scientific exchange, interdisciplinary collaboration, and professional networking.

We look forward to welcoming you to Singapore on June 29–30, 2027, for the 2nd Edition of the Public Safety and Global Health Congress (PSGH 2027), where together we will advance knowledge, strengthen global partnerships, and shape the future of public safety and global health.

Warm Regards
